

1. Pick One

You Lead Now

2.5 day introduction to KLC's leadership framework centered on your own challenge.

You Lead Now is our most popular and accessible offering happening ten times a year.

Join a community of others equipped with skills to move forward.

OR

Your Leadership Edge Video Chat Challenge

This is a self-paced program in which you engage with the heart of the YLE Experience.

Through a series of video chats, participants connect with resources designed to help them on their challenges and expose them to the KLC leadership principles and competencies.

2. Lead for Change

2-part, 7 day extensive leadership training to equip you with skills and support from a 1:1 coach. Lead for Change aims at helping you deeply invest in the challenges facing you.

Join a community of others with skills and support to move forward.

3. Equip to Lead*

A 2 day follow-up to You Lead Now or Lead for Change. By attending Equip to Lead, you'll join others from all sectors and levels of authority with a common aspiration: to equip more people to move forward on what you care about within your organization or community.

* You Lead Now, Your Leadership Edge Video Chat Challenge OR Lead for Change is a prerequisite for Equip to Lead
