

The following handout serves to assist leaders and creatives in working through a structured process to plan an action following specific Kansas Leadership Center competencies. The featured illustration is related to the launch and advancement of the Know Your Worth Women's Leadership Conference.

START WITH THE QUESTION

What would it take to create a dynamic women's leadership experience in Wichita that doesn't currently exist?

ENERGIZE OTHERS

- Start where they are.
- Inspire a collective purpose.

MANAGE SELF

- What were the capabilities and vulnerabilities of people on the team?
- How could we move forward if not everyone caught the vision?

DIAGNOSE THE SITUATION

- What aspirations do we have related to this issue?
- What story do we imagine others are telling?

INTERVENE SKILLFULLY

- What is our plan?
- Do we need to raise or lower the heat? Why?

KEY TAKEAWAYS

Leadership is an activity, not a position.

Anyone can lead, anytime, anywhere.

It starts with you and must engage others.

Your purpose must be clear.

It's risky.

The Know Your Worth Women's Leadership Conference returns September 14, 2018.
