

KLC believes that *leadership is an activity for everyone*, not just a limited number of elite individuals at the top

KLC Path Participant Calculation Worksheet

Many organizations lean toward a **top down approach**

TRAIN A LIMITED NUMBER OF ELITE INDIVIDUALS AT THE TOP

KLC suggests a **mass scale approach**

LEADERSHIP IS AN ACTIVITY FOR EVERYONE

Consider how you can use the *mass scale approach* to saturate your organization with KLC ideas.

List Core Team Members & indicate which programs they **HAVE NOT** yet attended:

Now consider various departments, teams, and individuals within your organization that you foresee sending to KLC programs. (Example: HR team, new hires, volunteers, board members, etc.) Indicate how many spots you imagine needing for those groups across programs.
